18. There will be no physical location favored over another. Qualified applicants who reside somewhere other than Walker, MN will be treated as equals with those who reside in Walker, MN.
19. The criteria set forth in the application will be judged and graded by each committee member on the Evaluation form without conferring with other committee members until all applicants have been rated.
20. It is understood that the rating of qualified applicants is entirely subjective, and open to the opinion of each member of the Scholarship Review & Selection Committee.
21. The results of the ratings by Scholarship Review & Selection Committee will become a matter of public record, for review by club members, after the Committee has made their award decision.
